

# Marshland High School Home School Agreement – Success Through Learning

## Commitment by Marshland High School

*We believe every student is capable of academic and personal success and that it is through hard work on the part of your child, with our support, that their potential will be realised.*

### Learning – Marshland staff will:

- Always come to lessons prepared and ready to engage students in challenging work that paves the way for success in school and life.
- Provide rewards for students’ endeavours.
- Set appropriate homework regularly (knowledge retrieval practice).
- Take students on relevant and exciting trips relevant to their learning.
- Constantly strive to become better educators.

### Pastoral care will:

- Ensure that each student’s Form Tutor will follow their tutees’ progress and ensure that all individual needs are met.
- Go out of our way to get to know each of our students as individuals.
- Care about our students’ wellbeing, and protect their safety at all times.

### Parent-school communication

- We believe that through regular communication, we will build a relationship of trust between school and home.
- Parent evenings will be held once a year and attainment reports issued twice a year.
- We will encourage contact with teaching staff by phone and email and endeavour to reply to parents as soon as possible, usually within 2 working days.
- We will collect and check homework, and if it is not complete, we will log as a homework concern. Heads of Departments will monitor homework concerns and if needed make a referral to afterschool homework club (a compulsory 1 hour afterschool intervention).
- We promise to welcome parents into the school community.

### Discipline

- We will reinforce Marshland High School values consistently and fairly.
- We will protect pupils from poor behaviour by insisting on high standards and holding pupils to account for their actions.

**We understand that this commitment will require us to go above and beyond the average expectations of a school. We sign this agreement voluntarily because we believe that Marshland High School is a partnership between parents and staff to create the best possible education for our students.**

### Uniform and Equipment

- Make sure my child wears the full correct school uniform smartly to school each day and has their full and correct equipment each day.

- Understand that school takes no responsibility for the damage, loss or theft of personal items, electronic devices or other high value items.

### Parent-school communication

- Always make myself available to the school and provide up-to-date contact details.
- Communicate with the school in a timely, respectful and polite manner in line with the School’s values.
