Major question of fund raising:

- Council decided overall it is not appropriate to fundraise for school improvements

Summer uniforms:

- Some people were worried they might be forced to wearing shorts, but this would not be the case – it would be an option.
- Some forms felt that shorts would not be appropriate and not look like the uniform – worried about the potential to cause the rules and fears about how the length etc would be enforced.
- Most forms seemed positive about the idea of PE hoodies – particularly for winter.
- Mrs Swinburn said she would speak to Mr Swinburn about the idea.
- Questions about whether they would be compulsory, can they be personalised, would they be sold through the school shop, how expensive would they be?
- House colour PE shorts?
- One idea to have house kit for all house competitions – designed by students – paid for out of pastoral budget and looked after by HODs?

Litter on the field:

- The school rule that eating on the field is prohibited is not going to change – students know that should be kept only in the canteen or in one of the patios and outside.
- Are drinks allowed on the field?

School musical production:

- Council agreed to 2016 fancy dress non-uniform to support the school musical production of 'Grease'
- What other ideas do we think of to get the school in the spirit of 'Grease'?
 - o Retro sweet stall?
 - o Decorate the 'denar'?
 - o Mini-disco ground rules/attractions (coconut shy?)
 - o Sing-along-Grease movie and popcorn in the main hall after school

AGB:
 Thank you from a number of students for getting the basketball mats fixed

Actions:

- Discuss the minutes
- Ideas to raise extra for 'Grease'

- Minutes are shared every fortnight and discussions take place

FUNDRAISING

GET READY FOR 10TH FEBUARY!!

**On the 10th Feb 2017, Marshland High will
be holding a FUN RUN!!**

What is white helmets?

They are an organisation that are currently in Syria who are helping males, females and babies involved in the war. They save them from building, bombs etc. White helmets give them shelter, food and water. They are un-armed people who are willing to risk their lives for others.

TOGETHER, WE CAN HELP THEM.

Will you join us in our FUN RUN? You will be helping the white helmets save more lives. Pay £1 or even more, then RUN
