

October 2023

Dear Parents & Carers,

At Marshland High School we are interested in offering opportunities to students to further extend their knowledge and understanding of a subject beyond the normal classroom situation. Therefore, we build an intervention plan designed to give students a tailored approach to the additional support that they may require.

Students will initially be identified as needing to attend after-school sessions from Teacher information about effort, gaps in knowledge from the recent PPEs and potential concerns regarding 'End of Course Predictions'. Students at risk of not reaching their potential will be required in school from 3.15pm until 4.15pm for their Intervention session or at an allocated time (between 8am-11am) on a Saturday morning.

Intervention sessions are provided during half term breaks, and the Easter holidays. These start next week in October half term break for students studying History and Photography. School will be open on Monday 23rd October for these sessions with Photography in D3 from 9am-1pm and History in H3 from 10am-1pm. Current intervention sessions can be found at the end of this letter with more tailored plans shared with you over the coming weeks.

If you have any questions or queries, I would ask that you contact your child's teacher or Head of Department in the first instance.

I would like to take this opportunity to remind you that year 11 Parents Evening takes place with face to face meetings on Thursday 23rd November. You will have the opportunity to meet with your child's subject teachers alongside representatives from Springwood 6th form and the College of West Anglia, plus expert guidance on applying for apprenticeships. Bookings will open early November with more details to follow.

We look forward to a successful Year 11 for all of our students, and as always thank you for your continued support.

Yours faithfully,

Mr C Teanby

Assistant Head - Key Stage 4
