1. Aims

The school aims to:

- Run an ECT induction programme that meets all the statutory requirements
- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Ensure all staff understand their role in the induction programme

2. Legislation and Statutory Guidance

This policy is based on the Department for Education’s statutory guidance [Induction for Early Career Teachers \(England\)](#) and [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#).

The ‘relevant standards’ referred to below are the [Teachers’ Standards](#).

This policy complies with our funding agreement and articles of association.

3. The Induction Programme

For a full-time ECT, the induction programme will typically last for two academic years. Part-time ECTs will serve a full-time equivalent.

The programme is quality assured by Julian Teaching School Hub - our ‘appropriate body’. Our central ECT CPD is facilitated by the Julian Teaching School Hub, using Ambition Institute resources, monitored by Ambition.

3.1 Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed mentor, who will have qualified teacher status (QTS)
- Have an appointed induction tutor, who will have qualified teacher status that has responsibility for the induction of ECTs.

- Have a reduced timetable to allow them to undertake activities in their induction programme, with no more than 90% of the timetable of our existing teachers on the main pay range
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

3.2 Support for ECTs

We support ECTs with:

- Their designated mentor will meet with ECT regularly to coach them, with support from the ECT CPD program, providing day-to-day support to allow them to achieve their short-term targets.
- Their designated induction tutor will provide day-to-day monitoring and support, and co-ordinate their assessments
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place at least termly by our external partners, and internally at least half-termly, at which we will review their objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

3.3 Assessments of ECT performance

Regular formal observations will take place, conducted by the school Induction Tutor. A report will then be prepared and forwarded to the Local Appropriate Body, with judgements about the ECTs progress with the programme, and meeting Teaching Standards.

At the end of the programme, ECTs will take part in a final formal assessment meeting. The outcomes of this meeting will be used by the Headteacher to decide whether the ECT's performance is satisfactory against the relevant standards. The decision will be written up in a final assessment form.

The ECT can add their own comments to this final form.

The form will then be sent to the appropriate body, who will make the final decision on whether the ECT has passed their induction period.

Throughout the programme, there is a monitored schedule of centrally issued CPD for ECTs to complete in their regular meetings with their mentors. This is monitored by Ambition and the Julian Teaching School Hub.

3.4 At-risk procedures

If it becomes clear the ECT is not making sufficient progress, additional monitoring and support measures must be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance
- An effective support programme is put in place to help the ECT improve their performance

If there are still concerns about the ECT's progress at their next formal assessment, so long as it is not the final assessment, the Headteacher / Induction Tutor will discuss this with the ECT, updating objectives as necessary and giving details of the improvement plan for the next assessment period.

4. Roles and responsibilities

4.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction
- Meet with their mentor at the start of the programme to discuss and agree priorities, and keep these under review
- Agree with their mentor how best to use their reduced timetable allowance
- Provide evidence of their progress against the relevant standards
- Participate fully in the monitoring and development programme
- Participate in scheduled classroom observations, progress reviews and formal assessment meetings
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period
- Keep copies of all assessment forms

When the ECT has any concerns, they will:

- Raise these with their mentor as soon as they can
- Consult with their contact at the appropriate body at an early stage if there are difficulties in resolving issues with their mentor or within the school

4.2 Role of the Headteacher and Induction Tutor

The Headteacher and Induction Tutor will:

- Check that the ECT has been awarded QTS and whether they need to serve an induction period
- Agree, in advance of the ECT starting, who will act as the appropriate body
- Notify the appropriate body when an ECT is taking up a post and undertaking induction

- Make sure the ECT's post is suitable according to statutory guidance (see section 3.1 above)
- Ensure the mentor is appropriately trained and has sufficient time to carry out their role effectively
- Ensure the ECT's progress is reviewed regularly, including through observations and feedback of their teaching
- Ensure that formal assessments are carried out and reports completed and sent to the appropriate body
- Maintain and keep accurate records of employment that will count towards the induction period
- Make the governing board aware of the support arrangements in place for the ECT
- Make a recommendation to the appropriate body on whether the ECT's performance against the relevant standards is satisfactory
- Participate in the appropriate body's quality assurance procedures of the induction programmes
- Keep all relevant documentation, evidence and forms on file for 6 years

4.3 Role of the mentor

The mentor will:

- Provide guidance and effective support to the ECT, including coaching and mentoring
- Carry out regular progress reviews throughout the induction period
- Ensure that the ECT's teaching is observed and feedback is provided
- Ensure the ECT is aware of how they can raise concerns about their induction programme or their personal progress, both within and outside of the school
- Take prompt, appropriate action if the ECT appears to be having difficulties

4.4 Role of the Trust

The Trust will:

- Ensure the school complies with statutory guidance
- Be satisfied that the school has the capacity to support the ECT
- Ensure the Headteacher is fulfilling their responsibility to meet the requirements of a suitable induction post
- Ensure concerns raised by the ECT are investigated in line with the relevant procedure / Trust policy
- If it wishes, seek guidance from the appropriate body on the quality of the induction arrangements and the roles and responsibilities of staff involved in the process
- If it wishes, request general reports on the progress of the ECT

5. Monitoring arrangements

This policy will be reviewed **annually** by the Induction Tutor and Headteacher. At every review, it will be approved by governors.
