

12<sup>th</sup> March 2025

Dear Parents and Carers,

Please find below the Year 10 PPE assessment timetable, starting 31<sup>st</sup> March 2025. Most assessments take place in classrooms, while English, Maths, and Science exams are held in the Sports Hall, as part of our efforts to prepare students for GCSE exams in just over one year's time.

We kindly ask for your support in ensuring that your child is aware of their exam schedule and is fully prepared to perform to the best of their ability. A paper copy of the timetable will be given to your child on **Friday, 14th March. Excellent attendance is always important but is particularly crucial throughout the examination period.**

If you have any questions regarding the assessments, please do not hesitate to email me at **c.teanby@marshlandhigh.co.uk**. For subject-specific enquiries, you may reach out to the relevant Head of Department.

Thank you for your continued support, and I wish your child the very best in their assessments.

Best regards,

Mr. Teanby

Assistant Head of Upper School
